"HEALTH INDEPENDENCE" Training

HealthBoss University **LIVE 6/12**

3-day LIVE Training Event in **Niagara Falls, Canada**
June 1st, 2nd and 3rd

Yes, of course we will have another gathering of Home Healers in 2012. It will take place in **Niagara Falls** on a **Canadian** side on **June 1-3, 2012**.

We have secured a beautiful hotel that guarantees you a room with the view on the Falls and a complimentary breakfast; we've got a wonderful conference room on the 9th floor with a falls-view terrace; we've ordered good weather – and we cannot wait to see you there!

We know many of you who attended the HBU LIVE 6/11 are coming back, and that makes us even more excited (we are even planning a special luncheon for our returning graduates and Practical Professors).

And that is not only because we will see the old friends, but also because it means that the very special healing energy that we jointly generated at the HBU LIVE 6/11 is still there – and it will grow even stronger when we are all together again, and new friends and healers are joining us.

(If you do not know what I am talking about and what our live conferences look like, **GO HERE** to see our report from the HBU LIVE 6/11: <http://www.21centurydoc.com/events/live-events/healthboss-university-live-6-11/austin-live-event-report>).

We do not have an agenda yet – let it to be a mystery for now ☺ But you already know that we will do everything we can to make this event unforgettable and well worth your while to attend.

We are also taking your feedback from the HealthBoss LIVE 6/11 very seriously and will pack as much of **hands-on protocols** into the agenda as humanly possible.

You see, our Practical Professors last year were so eager to share with you all they know that there was not much time left for your practice. We will try to correct that this time around.

But no matter how we decide to structure the event we will focus our efforts on preserving and enhancing the “**group healing effect**” that we had so strongly at the HBU LIVE 6/11 and that still works for many of our attendees even now. As Clarence Robins, our wonderful 80+ years young friend from New York says, “*I am still going strong!*”

BTW, Clarence got rid of arthritis in his knee and may be DRIVING to our Niagara conference in June. Do you want to be like that when YOU are 80+? **Join us at the HBU LIVE 6/12!**
